This program is open to serious students who have a strong interest in immersing themselves in Irish culture and heritage. Applicants must be 18 years of age or older as of the program start date. The minimum age requirement is strictly upheld. All applicants are required to complete an application form. To be considered for admission, students must meet the following minimum admissions requirements:

- completion of Freshman English Composition or its equivalent with a B or better;
- a cumulative college earned grade point average of 2.75/4.0 or higher; and

Successful completion of the application process is required for admission to the program. If a participant has special needs, the program will attempt to make reasonable accommodations within the capacity available at Carlow College. Disability accommodations will vary according to need and what can reasonably be provided by a foreign institution. It may be difficult for those with severe physical disabilities to travel to and within Ireland.

Academics

Students in this program will enroll as full time students at Carlow College, earning 12 – 18 semester credits. The cornerstone of the program is The Irish Experience, a course which provides students with an introduction to the history, culture, and people of Ireland. This course includes field trips and a forum for inquiry into the country they reside in for the academic term.

Also available are Irish Literature and Irish History courses. The remaining course options are similar to those students take at their home college, courses such as Western Civilization, Introduction to Psychology, and Creative Writing. Attention has been paid to identify courses that will help students fulfill general education requirements for their degrees. ICISP representatives have a list of courses offered at Carlow College each term.

Cultural Excursions

The foundation of the program is the various cultural excursions included as part of the Irish Experience course. The program includes trips to County Carlow, including Killeshin Romanesque

Church and Killeshin Hill, Old Leighlin Cathedral, and St. Mullins; County Wexford, including the Irish

National Heritage Park, Mount Leinster, Curracloe Beach and New Ross; Dublin City; County Wicklow, including Glendalough, the Meeting of the Waters, and Avoca Headquarters; a three-day excursion (Friday-Sunday) to County Kerry (Killarney/Dingle); Kilkenny City, Dunmore Caves, and County Kildare, including Rathgall and St Brigid's Cathedral. The cost of transportation and entry fees for all cultural excursions are included in the program cost.
