

Summer Study Abroad in Dijon, France
Program Information
June 23— July 23, 2022

Dijon, France

Dijon, France, located at the crossroads of Europe, is a lively, progressive university city of over 250,000 inhabitants. Capitol of gastronomy and gateway to the prestigious vineyards of Burgundy, Dijon is exceptionally rich in history and art. Heir to the splendors of the glorious court of the Dukes of Burgundy, Dijon boasts numerous monuments, museums, and architectural jewels including churches, cathedrals, and private residences dating from the Middle Ages.

Eligibility Requirements

The program is open to anyone—student, faculty, or community member—who is interested in experiencing life in another culture while learning French language and culture in an immersion setting. All applicants will be required to complete a personal interview to determine seriousness and ability to benefit from the program. College students and all those who intend to apply for college credit through the program must provide proof of a 2.75 GPA as well as having completed 12 credit hours of college level work, including ENG 101. Proof of Covid vaccination is required. Applicants should be aware that this program includes walking up to 5 miles daily and regularly using stairs.

The University of Burgundy's C.I.E.F.

Located in the heart of the University of Burgundy campus, the *Centre Internationale d'Études Françaises* was founded in 1902 and each year welcomes students from all over the world. Students receive a minimum of 20 hours per week of instruction from native speaker faculty members who specialize in the communicative teaching of French as a foreign language. The program is rounded out by numerous and varied cultural activities.

An Illinois faculty member will escort students to France and get them settled into their residence hall and the program in Dijon.

Credits and Grades

Upon arrival at the *CIEF*, students will be given a placement test to assess their language proficiency and thus, their level of study. Grades will be determined by participation in language classes with weekly tests and a final exam, and participation in all required field trips, journals and additional assignments, and participation in weekly group meetings. Upon successful completion of the program, students will receive 3-4 semester hours of credit in the French language depending on their college and 3 semester credit hours in Humanities Field Studies (HUM 124 at Parkland), a study of French culture.

Grades will be transcribed by the student's home institution. Students who attend colleges that are not members of the *Illinois Consortium for International Studies and Programs (ICISP)* are advised to clear all courses with their home schools before applying for the program and to work closely with the Dijon Program Director at Parkland College.

Room and Board

Participants will reside in the University of Burgundy's *Résidence Internationale d'Étudiants* (international student residence hall) in private rooms with full baths. In addition to a single bed, desk, closet, and plenty of shelving, each clean, modern, comfortable room has a small refrigerator. Kitchens located close to all rooms provide cooking facilities for those who want to prepare their own meals. Bedding is provided, but not towels. Coin-operated laundry facilities are located in the building. *Meals are not included in the program costs.* However, substantial and tasty lunches can be purchased at very low cost (approx. \$4) with the *CIEF* student ID card at the conveniently-located campus cafeterias.

Internet Access

Is available at the residence hall via the university network using an Ethernet connection and WIFI. However WIFI is only available in the common areas of the residence hall. There is WIFI on campus and there is an on-campus computer lab open for limited day time hours.

Excursions and Field Trips

Travel is an important part of the program and is provided to broaden the students' experience. A three-day Paris visit—complete with a guided orientation tour, group welcome dinner, museum entrances, and an evening Seine River cruise—is planned before heading by train to your final destination and home for the next four weeks, Dijon. Also included on one of the weekends of the program is a three-day tour of Provence, including the Roman cities of Arles and Orange, the Popes' Palace in Avignon, the Pont du Gard, Les Baux de Provence, the Camargue and the Mediterranean coast!

Please note that there can be no reimbursement for unused portions of the program!

Release Agreement

ICISP Study Abroad Application Terms of the Program Release Agreement

I, the undersigned, having applied to the **ICISP/Parkland College Study Abroad program in Dijon France for the Summer semester, 2022**, do covenant and agree as follows:

I release ICISP/PARKLAND COLLEGE and the host institution from any liability or damage or loss of property, injury, illness, or death during the period of the program. I understand and agree that neither the Illinois Consortium for International Studies and Programs (ICISP), its agents, officers, or employees, nor any educational institution associated in this endeavor shall assume any liability for damages or loss of property or for any financial or other obligations incurred by participants either in the United States or elsewhere.

I further understand and agree that while participating in the Program, I shall be subject to the supervision and authority of ICISP/PARKLAND COLLEGE, its agents, officers and employees, including the sole decision-making responsibility with respect to any participants whose conduct or academic standing may warrant expulsion or withdrawal from the Program.

I understand that participants are expected to attend classes regularly unless otherwise indicated by illness or unavoidable circumstances and to conduct themselves in a mature and responsible way as representatives of their colleges and their country.

I further understand and agree that when I travel independently from travel arrangements and fieldtrips organized by the host college and/or by ICISP/PARKLAND COLLEGE for participants in the Program I do so at my own risk. I assume responsibility for my own health, safety, and responsibility for all of my luggage and valuables as a result of this decision. I hold the host college and ICISP/PARKLAND COLLEGE harmless for this decision and was advised as to my personal responsibility for this decision.

I hereby acknowledge and agree that if I should be required to withdraw from the program for failure to maintain appropriate standards of study or behavior, that my rights to a refund of any program fees may be limited and that I would no longer have access to any of the facilities of the Program. I agree that, should there be any dispute concerning my participation in the Program that would require the adjudication of a court of law, such adjudication will occur in the McLean County Illinois Circuit Court and be determined by the laws of the State of Illinois.

I represent that I am at least eighteen years of age or, if not, that I have secured below the signature of my parent or guardian as well as my own.

I further represent that my agreement to the provisions herein is wholly voluntary, and further understand that, prior to signing this agreement, I have the right to consult with any advisers, counselors, or attorneys of my choice.

I agree that, should any provision or aspect of this agreement be found to be unenforceable, that all remaining provisions of the agreement will remain in full force and effect.

Medical Agreement and Release/Permission for Emergency Treatment

On rare occasions, an emergency will develop which requires medical care, hospitalization, or surgery for a participant. So that such treatment can be administered without delay, we ask that each applicant sign the following statement authorizing ICISP/PARKLAND COLLEGE representatives abroad to secure any necessary treatment. In the event of injury or illness, I hereby authorize any representative abroad of ICISP/PARKLAND COLLEGE to secure any necessary treatment, including the administration of an anesthetic and surgery.

ICISP/PARKLAND COLLEGE Study Abroad Application Student Code of Conduct and Agreement

Participation in the Illinois Consortium International Studies and Programs (ICISP) study abroad program is conditional upon the understanding and following of specific behaviors, rules of the host country and your home institution, and accountability for one's actions while participating in the program.

Therefore, ICISP/PARKLAND COLLEGE representatives, as well as those in charge of ICISP/PARKLAND COLLEGE programs on site, have full authority to enforce agreed upon standards. Further, they have full authority to take necessary steps to provide for the safety and full participation of all students, while participating in on-campus activities, off-campus field trips, and other travel as decided upon by the student. This may include, but not be limited to: advising the student's ICISP/PARKLAND COLLEGE representative, advising the student's family, giving a warning of possible future dismissal from the program, and finally, sending the student home at the student's expense, with no reimbursement of payments. The student agrees to the following:

PERSONAL CONDUCT

As a guest in another country students are responsible and must conform to all laws of that country and rules, customs, and standards of the host institution. Be aware that you are also under any code of conduct determined by your home institution. Students must conduct themselves in an appropriate manner at all times. Inappropriate behavior is cause for dismissal from the program.

PROGRAM PARTICIPATION and CLASS ATTENDANCE

Students are expected to attend classes, maintain a full time course load as defined by the program, and attend all field trips. Attendance is mandatory unless specific arrangements have been made with the on-site program directors. Unauthorized absences are grounds for disciplinary action and possible dismissal from the program.

INDEPENDENT TRAVEL

While it is assumed that students may wish to participate in additional travel unrelated to the program, students must understand that commitment to their educational program at the overseas institution is primary and takes precedence over all other recreational travel. Students must understand and acknowledge that they accept full responsibility for personal travel. Students must inform their host family, as well as the ICISP or other representatives of the program, of overnight absences, and provide their itinerary so that in case of emergency they may be contacted.

LEGAL PROBLEMS

The student is responsible for all legal problems with any foreign nationals or government jurisdictions of the host country. ICISP/PARKLAND COLLEGE cannot be held responsible for the well-being, health or safety of the student when he/she is absent from the program. The student accepts liability and is financially responsible for any damage or injury he/she may cause. The host institution, ICISP/PARKLAND COLLEGE, or the student’s Host College does not guarantee what, if any, assistance can be provided.

DISMISSAL POLICY

The In-Country Program Directors reserve the right to dismiss any student at any time for any of the following infractions: • violation of any rules mentioned above, • disruptive behavior, • excessive absences from the academic program including field trips, • use of illegal drugs, • excessive use of alcohol, • any conduct that appears in the In-Country Program Director’s judgment to be disruptive to the student or incompatible with the interest or welfare of others or the reputation of the program. Students dismissed from the program will remain responsible for all program costs incurred on their behalf, and will be sent home at their own expense. Full loss of academic credit may also result.

DISMISSAL PROCEDURE

1. The In-Country Program Directors, the host institution, or the host family identifies violation of any program rules.
2. In-Country Program Directors discuss the violation with the student and a course of action is agreed upon and documented. This is faxed to the ICISP Study Abroad Coordinator who will contact the ICISP representative.
3. If remediation does not occur within the agreed-upon time frame, and if the student continues to break the rules of the agreement, he or she will be contacted by the In-Country Program Directors for immediate dismissal. All students participating in an ICISP/PARKLAND COLLEGE program must sign this agreement. Any student who refuses to sign will not be allowed to participate in an ICISP/PARKLAND COLLEGE program.

I acknowledge that I have read and understood:

- The Release Agreement
- The Medical Agreement and Release/Permission for Emergency Treatment
- The Participant Information including Cancellation and Refund Policy
- The Student Conduct Agreement including expectations and dismissal policy

As an applicant to the program, I agree to such terms.
